

BOOK PROPOSAL PACKAGE

write it
GREAT

HELLO,

A book proposal starts the conversation with agents and publishers, setting your book up for success before it's written!

- Zoom Interviews
- Book Overview
- Author Bio(s)
- Competitive Analysis
- Marketing Plan
- High Level Outline
- Sample Chapter 1

LET'S GO!

Price: \$15,000*

With your book proposal, you can get a book deal from a publication company. This often comes with an advance to write the rest of the book. Advances count toward your royalties, so you never have to pay them back (provided you deliver the proposed book). And these advances usually range from **\$40k-\$100k!** Needless to say, a good book proposal is worth the investment.
